## DIY Stencilled Doormats

Thank you all so much who filled out our survey about what projects you would like to make for upcoming classes (if you have not filled it out yet, [you can do so here](#)). The two projects that have gotten the most class requests were DIY Stencilled Doormats, and DIY Waterproof Stickers!

I'm excited to announce that this month we will be making doormats, and next month stickers!

**Our DIY Stencilled Doormat class will be Feb 25 at 4pm PST.**
