DIY Earrings

This month for Cricut Craft Club we are making earrings using two different materials– Wood veneer and faux leather. Wood veneer earrings are light to wear, aesthetically beautiful and a fun material that many people haven't tried cutting with their Cricut!

Supplies:

(Use code **HELLOCF** at **Cricut.com** for **10% off materials and accessories** with **\$100 order + free shipping in US and CA.**)

- [Cricut Maker or Cricut Explore cutting machine](#)
- [Standard Grip Cutting Mat](#)
- [Strong Grip Cutting Mat](#)
- [Painters Tape](#) or [Washi Tape](#) (to hold your wood veneer to the mat)
- [Cricut Fine Point Blade](#)
- [Cricut Deep Point Blade](#)
